

Leading up to Giving Tuesday, we are posting our wish list:  
**Home Depot gift cards** – for project supplies.

**Sam's Club gift cards** – for our paper towels, toilet paper, kitchen plates, cups, napkins, utensils, etc. Our Wish list is on Sam's Club .com under Bristol Township Senior Center

**ShopRite gift cards** – food supplies for special events, etc.

**Wawa gift cards** to support mileage for volunteer pick-ups of groceries, baked goods, and other items regularly offered to our center.

Please join us in helping with our projects by donating specific items to us for our lead up to Giving Tuesday. Many of these items can be purchased during the weeks before Black Friday or on Black Friday at a very large savings. So we are listing the exact items we need with today's pricing. Shopping around, you may find the item(s) with significant discounts at the retailers or online. Many companies will also refund you the difference if the exact item purchase goes on sale elsewhere else for a lower price after your purchase. So make sure to hold on to your receipts.
